Alignment Assignment

Weaving Your Working

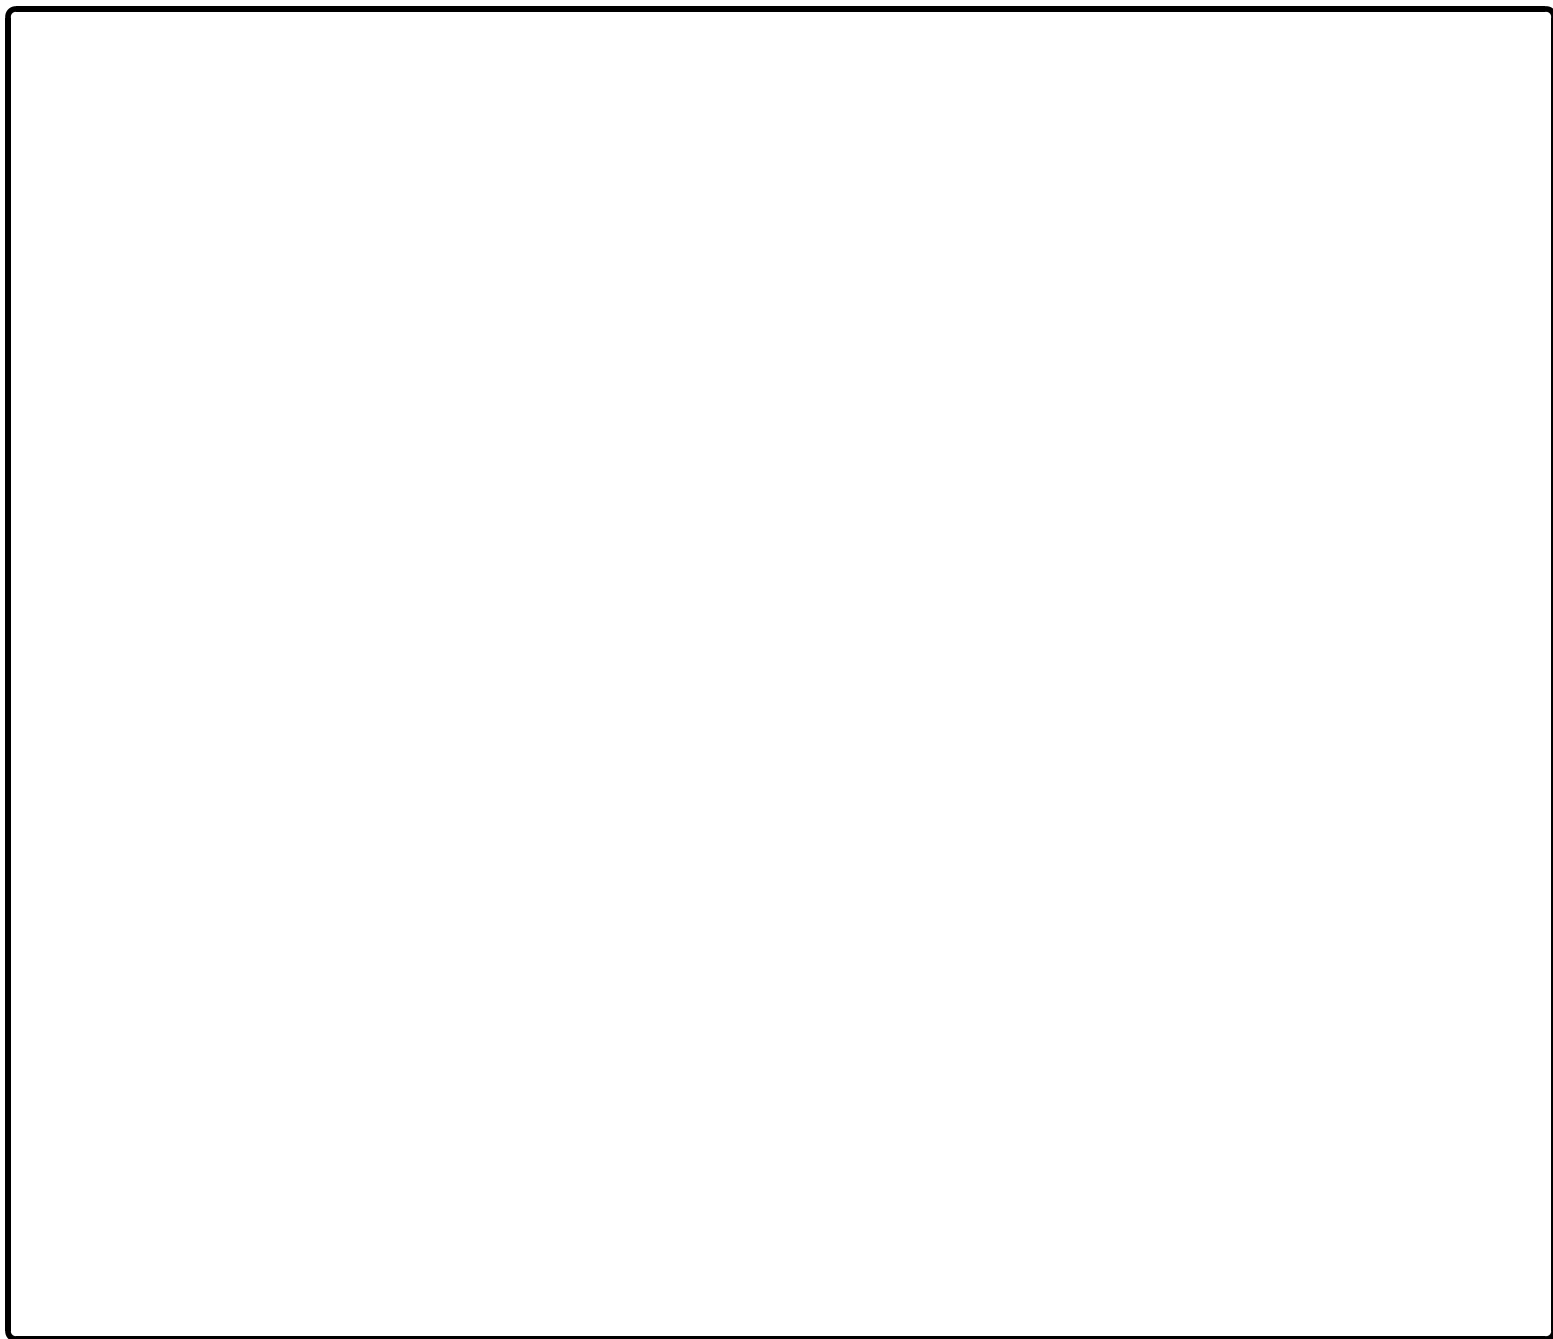

What is one takeaway that you learned from this lesson?

Assignment One: Need

What do you need the most right now? If you can't think of anything off the top of your head, think about how you want to feel. Then think about what would make you feel that way?

Assignment Two: Brainstorm

Use the skills you learned last week, along with your new knowledge of catalysts and timing to brainstorm a spell. Use colored markers if possible. It makes it more fun!

A large, empty rectangular box with a black border, intended for students to brainstorm a spell. The box is completely blank and occupies the central portion of the page.

Assignment Three: Compile

You can use the provided template to compile your new spell, and get prepared to do it. When it's time- you'll be ready!
