Magickal Theory

What is one takeaway that you learned from this lesson?

Assignment One: Analysis

Choose a spell out of a book or from the internet. Take time to analyze it and note the laws of magick that are involved.

Assignment Two: Intent

With the spell you chose above, could you re-write the statement of intent or the words of power to minimize blowback? Note it below.

Assignment Three: Shielding

Practice two types of shielding. How did you feel? Did one feel more successful than the other- you can journal below.
